### 3 Willows Ann Brashares

*summer is a time to grow*

*seeds*

Polly has an idea that she can't stop thinking about, one that involves changing a few things about herself. She's setting her sights on a more glamorous life, but it's going to take all of her focus. At least that way she won't have to watch her friends moving so far ahead.

*roots*

Jo is spending the summer at her family's beach house, working as a busgirl and bonding with the older, cooler girls she'll see at high school come September. She didn't count on a brief fling with a cute boy changing her entire summer. Or feeling embarrassed by her middle school friends. And she didn't count on her family at all. . .

*leaves*

Ama is not an outdoorsy girl. She wanted to be at an academic camp, doing research in an air-conditioned library, earning A's. Instead her summer scholarship lands her on a wilderness trip full of flirting teenagers, blisters, impossible hiking trails, and a sad lack of hair products.

It is a new summer. And a new sisterhood. Come grow with them.
