Welcome to Whistle Stop...where anything can and most likely will happen.

The notorious cowboy meets his match...

**Can be read as a standalone!**

Cord Lawson instantly distrusted the young woman in a smart suit who'd just arrived in Whistle Stop. She was very pretty and clearly a city girl--but with memories of his failed marriage still darkening his mind, he's determined to steer clear! But she's sniffing around his land--land that has been in his family for generations. There was no way he'd let it go--even if the bank was threatening to foreclose, and even if selling could give Whistle Stop a new lease on life.

Alexis Greer had one mission--close the deal on the Lawson ranch; without it, her father's land development company would go bankrupt. But the word around town is to keep clear of Cord and to stay away from his precious land. What had happened to cause such a handsome cowboy to live such a solitary existence? However, determination was Lexi's middle name. She just had to keep on trying to breach Cord's barriers, to appeal somehow to his head and heart--even if it put her in danger of losing both of hers...to him.
