Un completo panorama de la vida cultural e intelectual en México desde comienzos hasta casi mediado el siglo XIX. Una visión del horizonte creativo y de las obras más representativas de este período, así como de los aspectos esenciales en la actividad cultural y artística del país.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países.
