Mision Guadalupe L. Brent Bozell

This book provides a guide for prayer and a meditation on the mystical truths about God and man and the social and political ramifications of the Incarnation. Unlike the outdated social justice writers of previous decades, Bozell and Miles-Campos suggest a concrete plan for advancing works of mercy to relieve the suffering of the poor, to uplift the spiritually malnourished, and to form a more vibrant Christian community in the midst of a secular world. This text is presented in both English and Spanish.
