Perspectives on Spirit Baptism

Chad Brand

Perspectives on Spirit Baptism Chad Brand

Perspectives on Spirit Baptism presents in counterpoint form the basic common beliefs on spirit baptism which have developed over the course of church history with a view toward determining which is most faithful to Scripture. Each chapter will be written by a prominent person from within each tradition—with specific guidelines dealing with the biblical, historical, and theological issues within each tradition. In addition, each writer will have the opportunity to give a brief response to the other traditions.
