Wave Me Goodbye Ruby Jackson

A compelling story of tragedy and triumph in WWII -the second in a series of books featuring four young women whose lives will be forever changed by the war. Perfect for fans of Katie Flynn and Annie Groves.

When war is declared, four plucky girls from Dartford – Grace, Sally, Rose and Daisy – are keen to do their bit on the Home Front.

For orphan Grace, it's a chance to start afresh. She's always has a soft spot for Sam Petrie, brother of Daisy and Rose, but realising that he is in love with their friend Sally, she puts her own feelings aside, and signs up for life as a Land Girl.

Mucking out and early morning milking come as a big shock and life is harder than she expected. But Grace is nothing if not determined and though their lives will never be the same again, the four girls know they will always have each other – no matter what the war throws at them...
