After years of denial, Cass Weatherfield has finally accepted her telekinetic gifts. Living with her boyfriend, Shane, has given her the confidence to be herself, but the fear of losing control and harming those around her is always present.

Knowing firsthand the hell of growing up without a mentor, she agrees to meet and help Diana, a young Shadowmind. But when Cass shows up, the terrified woman changes her mind and flees. Cass and Shane track her across New Orleans, and soon discover that Diana is being held against her will by an illicit organization that's selling her rare clairvoyant skills to the highest bidder. In charge is an ancient creature more powerful than any they've ever encountered. And apparently she wants Shane dead.

Cass and Shane work to free Diana. But as Cass uses more and more power, drawing it from her friends in the fight against evil, she feels an addictive pull that challenges her control. And, in the end, Cass may be the greatest threat to those she loves the most.
