Psychic Children Speak to the World: How Love Creates Miracles James Twyman

His amazing adventure to discover the psychic children of Bulgaria was the subject of bestselling author and musician James Twyman's book *Emissary of Love*. Nearly ten years later, this new edition revisits that extraordinary journey to discover a timeless message that would transform the world.

In 2000, while giving a talk in a private home, Twyman encountered an extraordinary ten-year-old boy named Marco. He touched Twyman's finger, and suddenly Twyman could bend spoons with the power of his mind, read thoughts, and transmit thoughts to others. Marco said that there were other special children like him--in a monastery in the mountains of Bulgaria--which led Twyman to southern Europe and further adventures. In the process, he learned that the children had a message for all the world and that he was to be the one to deliver that message. The message? Love creates miracles.
