Skull Creek Stakeout (The Caden Chronicles) Eddie Jones

The good news is, vampires aren't real. The bad news is...you can't believe the news.

Nick Caden is a normal fourteen-year-old kid with a "supernatural" knack for finding trouble, ghosts, vampires, and all sorts of undead--or so it seems.

After solving the ghost story murder at Deadwood Canyon, Nick lands a job as a roving reporter for *The Cool Ghoul Gazette*, a website on paranormal or supernatural disturbances. When the editor sends Nick to investigate a murder in Transylvania, North Carolina, the young super sleuth finds a corpse with fangs, bite marks and a stake driven through the heart. If Nick proves vampires are real, his job as an investigative journalist is set for life! But once he begins to peel back the clues surrounding the mystery of Skull Creek Nick finds his new job is not only scary and dangerous but about to suck the life out of him.

The Skull Creek Stakeout - a story middle-readers and adults can sink their teeth into.

The Caden Chronicles - winner of the 2013 Selah award for Young Adult fiction.

From reader reviews:

Harry Crawford:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each guide has different aim or maybe goal; it means that book has different type. Some people really feel enjoy to spend their time and energy to read a book. They are reading whatever they take because their hobby is usually reading a book. Think about the person who don't like examining a book? Sometime, man feel need book when they found difficult problem or exercise. Well, probably you will require this Skull Creek Stakeout (The Caden Chronicles).

Ryan Neal:

What do you concerning book? It is not important together with you? Or just adding material if you want something to explain what the one you have problem? How about your extra time? Or are you busy person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everybody has many questions above. They should answer that question because just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need this specific Skull Creek Stakeout (The Caden Chronicles) to read.

Virginia Doak:

Nowadays reading books become more and more than want or need but also get a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The information you get based on what kind of reserve you read, if you want send more knowledge just go with education and learning books but if you want experience happy read one using theme for entertaining like comic or novel. Typically the Skull Creek Stakeout (The Caden Chronicles) is kind of reserve which is giving the reader unpredictable experience.

Dawn Nelson:

Your reading sixth sense will not betray an individual, why because this Skull Creek Stakeout (The Caden Chronicles) e-book written by well-known writer we are excited for well how to make book that may be understand by anyone who also read the book. Written with good manner for you, leaking every ideas and producing skill only for eliminate your own hunger then you still hesitation Skull Creek Stakeout (The Caden Chronicles) as good book not merely by the cover but also with the content. This is one guide that can break don't ascertain book by its protect, so do you still needing another sixth sense to pick this particular!?! Oh come on your looking at sixth sense already alerted you so why you have to listening to another sixth sense.
