Veda: A way of Life Ramanuj Prasad

The Veda (Sruti) is the most comprehensive doctrine on religion ever revealed to mankind that answers all man's queries on the here and now and the hereafter. Human objectives can be broadly grouped under four categories: desire (kama), material gain (artha), religious merits (dharma) and liberation (moksha). The Veda holds the key to fulfil all these aspirations. But the Veda simply reveals the Truth, never pressurising anyone to follow a particular path to self-discovery. Each person is free to choose his own path to discovery of the Self or God. The Vedas act as the means to the ultimate knowledge that is possible through direct perception.
