Encountering Truth: Meeting God in the Everyday Pope Francis

Experience the morning homilies of Pope Francis and witness how he continues to change the life of the Catholic Church.

Shortly after seven in the morning, Pope Francis gives a brief homily in the little Vatican chapel of Saint Martha, in front of an audience that is always different: gardeners, office workers, nuns and priests, as well as a growing group of journalists. It is a set appointment, and in some ways a revolutionary innovation, where a pope speaks to everyone, off the cuff, without any written text, as he would have done as a parish priest.

Encountering Truth is a collection of highlights from these homilies from March 2013 to May 2014. Along with summaries by Radio Vaticana (who recorded and transcribed the homilies) and commentary by Father Antonio Spadaro, SJ, these reflections provide moments of inspiration, simplicity, and a glimpse into the papal world very few ever get to experience.
