**Maria tante volte (Biblioteca del Vascello) (Italian Edition)** Fabio Negrini

Maria, una trovatella muta dall'origine sconosciuta, cresce su uno scoglio in mezzo al mare, affidata a una coppia di persone altolocate lì confinate. La bambina, sulla spinta dell'istinto e del destino, diverrà ribelle alle pretese educative e a ogni conformismo instaurando un rapporto straordinario con quell'entità suprema che è "dio precedente Dio". È una storia che permette di sondare la componente oscura e inaccettabile della femminilità, connessa alle forze primigenie della creazione, e come l'individuo chiamato a esprimerla possa manifestare facoltà sconcertanti, atteggiamenti inaccettabili in una società progredita.
