The Sparkling Elves loved the Things in the Air, those things that nobody can see, but which are there all the same. With their brightly colored clothes and their bright, gleaming smiles, they'd spend the whole day fluttering around, looking for flying surprises. And when they found them, the elves held them tightly until the Things tickled them inside. But one day, the Snouty Witches appeared, gray and gloomy, to take the Things away!

The Things in the Air is a tale that will fill your air with surprises and fill your child's face with a huge smile that no one will be able to wipe off — not even the Snouty Witches!
