La metamorfosi del Professor Strunz (Italian Edition) Ezio Saia

La mansuetudine del professor Strunz è scritta nel suo codice genetico. Quando il dottor Ciripalli, specialista del settore, diagnostica l'anomalo metabolismo da ruminante del matematico, non fa altro che leggere la sua storia e, al contempo, il suo destino, come un abile cartomante. La metamorfosi quasi kafkiana sarà una radicale trasformazione del protagonista, da una pseudo-cultura alla realtà della natura. L'Autore sviluppa il racconto adottando un registro stilistico apparentemente comico, in realtà composito e complesso, capace di attingere ad ambiti diversi, e modella il linguaggio rendendolo perfettamente funzionale alla storia.
