Over again

Katlyn E Lipomi

Over again Katlyn E Lipomi

This story is not only just a children's book but also for adults that can relate to someone they know who is struggling with Alzheimer's or dementia. It's a learning experience for anyone. The story is about the complicating disease that we have not found a cure for and the struggles that come along with it not only for the person themselves, but also for the people around them such as their family and friends. It also describes how the disease can change the person to act like "child" in some ways again. Also the response of how the person seeing this person who has this disease will react.
