The International Handbook of Stepfamilies: Policy and Practice in Legal, Research, and Clinical Environments

The International Handbook of Stepfamilies: Policy and Practice in Legal, Research, and Clinical Environments

Written by contributors from around the world, *The International Handbook of Stepfamilies: Policy and Practice in Legal, Research, and Clinical Environments* is a collection of research, legal, and clinical recommendations that fills a growing need for complex, re-formed families. Using the information in this book, which includes contemporary research and its implications, you will be able to consider stepfamilies in an international context. Understand the issues that clinicians face when they work with stepfamilies, both before and after formation, and gain more knowledge about this topic as the rates of family reformation increase.
