Babe's Bible Karen Jones

In the 1st Century and the 21st Century, the world is run by men. Lila and Mary in the 1st, and Grace and Chloe in the 21st, share the same question: Where are the good men? Their fathers failed them, their husbands failed them, their leaders failed them. But they find hope in one man - one man who inspires both men and women to come into their own. One man who would never treat them as objects or possessions. One man who would never use them for his own gratification. One man who would never abuse their trust. One man who believes in them. One man who would go to hell and back for them. Babe's Bible: Gorgeous Grace is the first book in a stunning trilogy by new writer Karen Jones. It presents the message of the Bible in the form of a contemporary novel for women.
