This casebook has been completely redesigned to provide law professors and law students with a sophisticated presentation of fundamental issues in constitutional criminal procedure. Material is presented in a succinct and efficient format. In addition to presenting the rules currently governing each topic of constitutional law, the book also provides historical and jurisprudential contexts which produced current doctrine. This casebook also furnishes comprehensive coverage of fundamental topics of constitutional criminal procedure in approximately 750 pages. Excerpts from scholarly writings and the authors' commentaries and notes are used sparingly to provide guidance only when necessary.
