## **Geek High** Piper Banks

At this school, everyone's a geek. And Miranda Bloom *still* can't fit in...

Miranda is a math genius with divorced parents, an evil stepmother, and no boyfriend in sight. She can't even fit in with the other geeks at the Nottingham Independent School for high-IQ students, because *they* actually have useful talents. Miranda, on the other hand, is known as "The Human Calculator," which doesn't amount to much when people have, you know, their own calculators.

Then Miranda gets stuck planning the school's Snowflake Gala. And as she struggles to find a date and drum up some school spirit at Nottingham-aka "Geek High"-she finds that who you are means more than where you fit in.
