La ciencia de hacerse rico (Spanish Edition) Wallace D. Wattles

LA CIENCIA DE HACERSE RICO. Cómo atraer el éxito y ganar dinero.

Una guía práctica para conseguir el éxito y la prosperidad en la vida mediante un cambio de actitud y un plan de desarrollo personal.

El libro que transformó radicalmente la vida de Rhonda Byrne y que la inspiró para escribir su best-seller El secreto.

Alcanzar la riqueza que anhelamos nunca ha estado tan cerca, gracias a los principios que aparecen en este libro, fruto de años dedicados a estudiar las razones del éxito profesional y personal. Las claves para lograr la vida de prosperidad que siempre hemos deseado.

En este clásico del siglo XX, Wallace D. Wattles sentó las bases de un pensamiento revolucionario, que fue seguido por Napoleon Hill, Robert Schuller o Anthony Robbins, entre muchos otros. El cambio de actitud, la solidaridad, la creatividad, la imaginación son indispensables para alcanzar y atraer los objetivos deseados. Este libro da la respuesta a la pregunta de cómo conseguir el éxito que buscamos.

A través de breves capítulos el autor nos explica como sobreponerse a todo tipo de condicionamientos (mentales, sociales, de salud, etc.) para, a través de la creación y no de la competencia, alcanzar y atraer riquezas.

La ciencia de hacerse rico es un libro de crecimiento personal que desvela principios universales cuya efectividad se ha demostrado a lo largo de los años y que desvelará las claves y secretos para ser feliz, libre y poderoso.
