## Los años (Spanish Edition) Virginia Woolf

Publicada en 1937, *Los años* fue la novela más popular de Virginia Woolf durante su vida, quizá debido a su factura clásica, decididamente más convencional que su obra anterior.

Los Pargiter, una típica familia burguesa, recorren en estas páginas un periodo de tiempo comprendido entre los últimos estertores de la era victoriana y los primeros años treinta. Y en el seno de su hogar se dramatizan las tensiones históricas, sociales e ideológicas de esa época de transición y niebla, cuando un mundo y una idea de la civilización se desmoronaban para dar paso a un tiempo nuevo y lleno de incertidumbre. La guerra, la estructura patriarcal, el capitalismo, el Imperio o el auge del fascismo son algunas de las sombras que se proyectan en las paredes de la casa de esta familia inglesa, emparentada, podría decirse, con los Buddenbrook, la familia alemana creada por Thomas Mann en su novela homónima.

### From reader reviews:

#### **Kyle Coffman:**

What do you in relation to book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to complete others business, it is make one feel bored faster. And you have extra time? What did you do? All people has many questions above. They need to answer that question because just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need that Los años (Spanish Edition) to read.

#### **Gregory Kim:**

Here thing why this Los años (Spanish Edition) are different and trusted to be yours. First of all looking at a book is good but it depends in the content from it which is the content is as scrumptious as food or not. Los años (Spanish Edition) giving you information deeper including different ways, you can find any publication out there but there is no guide that similar with Los años (Spanish Edition). It gives you thrill examining journey, its open up your personal eyes about the thing which happened in the world which is might be can be happened around you. You can bring everywhere like in park your car, café, or even in your means home by train. For anyone who is having difficulties in bringing the published book maybe the form of Los años (Spanish Edition) in e-book can be your option.

#### **Brian Paige:**

Los años (Spanish Edition) can be one of your beginning books that are good idea. Many of us recommend that straight away because this guide has good vocabulary that will increase your knowledge in vocab, easy to understand, bit entertaining but nevertheless delivering the information. The writer giving his/her effort to place every word into enjoyment arrangement in writing Los años (Spanish Edition) but doesn't forget the main position, giving the reader the hottest and based confirm resource information that maybe you can be one of it. This great information may drawn you into completely new stage of crucial thinking.

#### **Susan Granger:**

A lot of people said that they feel weary when they reading a e-book. They are directly felt it when they get a half areas of the book. You can choose often the book Los años (Spanish Edition) to make your own reading is interesting. Your personal skill of reading skill is developing when you just like reading. Try to choose very simple book to make you enjoy to read it and mingle the opinion about book and looking at especially. It is to be very first opinion for you to like to open a book and examine it. Beside that the guide Los años (Spanish Edition) can to be your brand new friend when you're experience alone and confuse with the information must you're doing of this time.
