## **Octavio Paz: una vuelta a su vida (Spanish Edition)** Julio Scherer Garcia

Aquel 18 de octubre de 1993, Julio Scherer conversó con el mayor de los intelectuales mexicanos, Octavio Paz, con quien además de entablar una sincera amistad, compartió la preocupación por analizar y esclarecer los problemas del país. Scherer, una vez más haciendo gala de sus grandes dotes periodísticas, cuestionó al ganador del premio Nobel sobre temas como el 68 y los movimientos estudiantiles de esa época, la sucesión presidencial, la evolución política de México y la democracia, entre otros. Este intercambio, además, evoca la hostilidad gubernamental e intelectual que Paz vivió tras dejar la embajada de México en la India: "Me pides un juicio sobre la vida de México y sobre la mía propia, desde 1971 hasta nuestros días... más de veinte años ricos en cambios y peripecias", comenta el poeta y escritor mexicano.
