The Revolution Betrayed Leon Trotsky

This early work by Russian revolutionary Leon Trotsky is both expensive and hard to find in its first edition. It contains his analysis of Socialism, the Soviet State and Economics of Russia during the early twentieth century. This is a fascinating work and is thoroughly recommended for anyone with an interest in Russian history and the politics of Trotsky. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
