Double Down (Raven McShane Mysteries) (Volume 4) Stephanie Caffrey

From bestselling mystery author Stephanie Caffrey comes another killer adventure from Sin City's most unlikely detective... Raven McShane, Las Vegas' sauciest private detective, is a lot of things: exotic dancer, shoe shopper, fad dieter, day drinker—just to name a few. But blackjack player? Not so much. And so when a new client asks her to infiltrate his card-counting ring to see who's skimming profits off the top, she's tasked with learning how to become a passable card player and fast! At first she's worried about being dragged heels-first out of the casinos, but soon enough she finds herself mixed up in a situation much bigger than just her client's little card-counting group. And the timing couldn't be worse, either, as it coincides with the increased romantic interest from a wealthy and powerful admirer. Can Raven solve a mystery, save herself, and ignite a new relationship all at once? Raven McShane Mysteries: Diva Las Vegas (book #1) Vegas Stripped (book #2) Royal Flush (book #3) Double Down (book #4) "A spectacular blend of hardboiled detective work and outrageously funny scenes. I can't imagine why anyone would want to miss out on a single book!" ~ Fresh Fiction "Reminded me of Evanovich and Parker..." ~ Chucktown Reader "(DIVA LAS VEGAS) is possibly the best first book of any series I have read. I am always looking for new authors and series, and this one is a true masterpiece. I can hardly wait for the next book." ~ Mystery Lover

Find this book and read it from at this point!

Sarah Heath:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Double Down (Raven McShane Mysteries) (Volume 4) can make you experience

more interested to read.
