## **Literatura universal (Spanish Edition)** Alfonso Reyes

Este octavo número de la colección Capilla Alfonsina está dedicada a aquellos textos que el gran humanista regiomontano dedicó al tema de la Literatura Universal. Con pluma siempre amena y erudita, Reyes profundiza en los tópicos y peripecias de algunas de las más célebres obras de esta tradición. De esta manera, tanto el lector neófito como el académico podrán encontrar en la reflexión del maestro, un punto de quiebre en los estudios literarios gestados y madurados en nuestra lengua.
