My name is Lisa and I live a boring life, thanks to my overprotective parents.

That all changes when my family moved to Oregon and I discover that I can see my super hot, sexy neighbour from my window.

He's constantly shirtless, showing off his sexy torso that would melt any girl's panties.

He wants to show me his world...

How crazy is that? My parents would never approve this.

Unless... he's gonna teach me how to escape...
