Spanish Vocabulary (Speedy Study Guides) (Spanish Edition) Speedy Publishing

Like any other language, Spanish has nouns, verbs, pronouns and adverbs that make up the building blocks of the language. Much of the language comes from Italy which is why Italians learn Spanish easily. In using verbs, Spanish often uses inverted word order, placing the noun where you think the verb would be and the verb where you think the noun would be. If one wants to become proficient in Spanish, a vocabulary consisting of many nouns and some useful verbs is of great help.
