A powerful new movement is sweeping across America: Christian men are coming together to make a difference in their families, churches, businesses, and communities. They are helping one another acknowledge a deep-seated need and hunger for spiritual nourishment and Christian fellowship. They are "sharpening" one another's understanding of what it means to be a man today.

The first book of daily meditations created expressly for men in search of spirituality, *Promises to Keep* draws together the words of hundreds of prominent Christian authors and leaders. Offering inspiration and motivation, this little treasure provides the spiritual dimensions lacking in the lives of so many and proves that men can be strong and tender, can lead without tyranny, can be authoritative without arrogance, and can have relationships with each other that are full of meaning, insight, and even love.
