Strategize to Win: The New Way to Start Out, Step Up, or Start Over in Your Career Carla A Harris
The Wall Street powerhouse and author of *Expect to Win* offers a new way to conceptualize career strategies and gives us proven tools for successful change

Whether we're starting out, striving toward a promotion, or looking for a new opportunity, the working world isn't what it used to be. Wall Street veteran Carla Harris knows this, and in *Strategize to Win* she gives readers the tools they need to get started; get "unstuck" from bad situations; redirect momentum; and position themselves to manage their careers no matter the environment. With her trademark galvanizing advice, Harris identifies and clarifies issues that are often murky, offering lessons on: Identifying and making the most of your work profile (are you a Good Soldier? a Leader? an Arguer?); preparing for a career change without going back to school or taking a step down: honing three essential skills industry leaders possess (and how to get them); tuning into unspoken cues; and thriving through change. Introducing a new way of planning one's career in five-year units, *Strategize to Win* distills battle-tested and step-by-step tools that Carla has used to launch and sustain her own successful career and help others move forward, recover from setbacks, and position themselves for success.
