The Changed are on the move. The Spared are out of time. The End...is now.

When her parents died, Alex thought things couldn't get much worse--until the doctors found the monster in her head.

She headed into the wilderness as a good-bye, to leave everything behind. But then the end of the world happened, and Alex took the first step down a treacherous road of betrayal and terror and death. Now, with no hope of rescue--on the brink of starvation in a winter that just won't quit--she discovers a new and horrifying truth.

The Change isn't over.

The Changed are still evolving.

And...they've had help.

With this final volume of The Ashes Trilogy, Ilsa J. Bick delivers a riveting, blockbuster finish, returning readers to a brutal, post-apocalyptic world where no one is safe and hope is in short supply.

A world where, from these ashes, the monsters may rise.
