The Gardnerian Book of Shadows Gerald Gardner

It is most convenient to mark the circle with chalk, paint or otherwise, to show where it is; but marks on the carpet may be utilized. Furniture may be placed to indicate the bounds. The only circle that matters is the one drawn before every ceremony with either a duly consecrated Magic Sword or an Athame. The circle is usually nine feet in diameter, unless made for some very special purpose. There are two outer circles, each six inches apart, so the third circle has a diameter of eleven feet. [1] Having chosen a place proper, take the sickle or scimitar of Art or a Witch's Athame, if thou mayest obtain it, and stick it into the center, then take a cord, and 'twere well to use the Cable Tow for this, and loop it over the Instrument, four and one half feet, and so trace out the circumference of the circle, which must be traced either with the Sword, or the knife with the black hilt, or it be of little avail, but ever leave open a door towards the North. Make in all 3 circles, one within the other, and write names of power between these. [2] First draw circle with Magic Sword or Athame. [3] Consecrate Salt and Water: Touch water with Athame, saying, "I exorcise thee, O creature of Water, that thou cast out from Thee all the impurities and uncleannesses of the Spirits of the World of Phantasm, so they may harm me not, in the names of Aradia and Cernunnos."
