## The Prayer Book Guide to Christian Education, Third Edition

While this one-volume guide is especially useful for Christian educators, showing them how to teach week by-

week according to the ethos and tradition of the Episcopal Church, it also provides a valuable and useful reference tool for all church leaders and members in connecting Christian faith to daily life.

This new guide to Christian education and formation is based on the Book of Common Prayer, the cornerstone

of Anglican liturgy and theology. Keyed to the Revised Common Lectionary, all activities and lessons are structured on the seasons and lessons for Years A, B, and C. The guide stresses the major themes of baptismal theology and shows how teachers, parents, and children can live the liturgical cycle in Christian formation ministries at church and at home.
