By Night in Chile

Roberto Bolaño

By Night in Chile Roberto Bolaño

A deathbed confession revolving around Opus Dei and Pinochet, *By Night in Chile* pours out the self-justifying dark memories of the Jesuit priest Father Urrutia.

As through a crack in the wall, *By Night in Chile's* single night-long rant provides a terrifying, clandestine view of the strange bedfellows of Church and State in Chile. This wild, eerily compact novel—Roberto Bolaño's first work available in English—recounts the tale of a poor boy who wanted to be a poet, but ends up a half-hearted Jesuit priest and a conservative literary critic, a sort of lap dog to the rich and powerful cultural elite, in whose villas he encounters Pablo Neruda and Ernst Junger. Father Urrutia is offered a tour of Europe by agents of Opus Dei (to study "the disintegration of the churches," a journey into realms of the surreal); and ensnared by this plum, he is next assigned—after the destruction of Allende—the secret, never-to-be-disclosed job of teaching Pinochet, at night, all about Marxism, so the junta generals can know their enemy. Soon, searingly, his memories go from bad to worse. Heart-stopping and hypnotic, *By Night in Chile* marks the American debut of an astonishing writer.
