## Culpas viejas, mujeres nuevas (Coleccion Popular (Fondo de Cultura Economica)) (Spanish Edition)

Martha Robles

Marta Robles aborda la problemática de la mujer y la condición femenina dentro de lo que se ha llamado la posmodernidad. Ante las nuevas reglas del juego que plantea el "nuevo" orden, la escritora polemiza sobre la suerte que les ha tocado a las mujeres, en tanto género, sortear en un mundo gobernado por una falocracia incólume e inquisidora. Libro esencialmente feminista que establece el problema de la tolerancia y la alteridad como principios de salud social y apela a situar a la mujer, en este mundo marginal y excluyente, a la altura y dignidad -como dice la autora- de sí misma.
