## **El tiempo recobrado (NARRATIVAS) (Spanish Edition)** Marcel Proust

El implacable paso de los años transforma a las personas hasta el punto de convertirse en espectros de lo que una vez fueron. El narrador de El tiempo recobrado observa a través de su particular prisma a la gente que le ha rodeado a lo largo de toda su vida y se aproxima al momento en el que, gracias a sus recuerdos, alcance una revelación artística y vital.

En narración final se termina de cruzar el puente que el autor tendió del pasado hacia el presente y se ofrecen algunas de las claves que contribuyen a cerrar el ciclo narrativo más sobresaliente del último siglo.
