The Immortal Throne (City, The) Stella Gemmell

No one is safe, and no one is to be trusted as the bloody war that began in Stella Gemmell's *The City* continues...

The dreaded emperor is dead. The successor to the throne is his nemesis, Archange. Many hope her reign will usher in a new era of freedom and stability. Soon however, word arises of a massive army gathering in the shadows of the north. They are eager to lay waste to the City and annihilate anyone—man, woman, or child—within it.

Yet just as the swords clang in fields wet with the blood of warriors, family feuds, ancient rivalries, and political battles rage on within the cold stone walls of the City. A hero must rise up and restore the peace before anything left to fight for is consumed by the madness.
