Another Book of Kells Kevin Michael McGovern

This book is the first book of poetry by Kevin Michael who draws on his experiences within the historical town of Kells for his writing.

From local natives to landscapes; the sights and sounds of the town are brought to life in this wonderful collection.

Another Book of Kells isn't a typically historical homage to this beautiful town – which is a huge source of pride to our country – it is a tribute to the real lives of its inhabitants, the real streets and those who cross them every day.
