Rhythm, Music and Education Emile Jaques-Dalcroze

Originally published in 1920, this early work is an informative look at the importance of music in education with one of the most important factors being the training and development of the sense of Rhythm. It will appeal greatly to any one interested in the study or teaching of music. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
