Storia del videogioco: Dagli anni Cinquanta ad oggi (Quality paperbacks) (Italian Edition) Marco Accordi Rickards

Dai primi esperimenti, come Tennis For Two e Spacewar!, passando attraverso la “Golden Age” di Space Invaders e Pac-Man, fino ai più recenti Mass Effect e Grand Theft Auto, il videogioco ha segnato la memoria individuale e collettiva di intere generazioni, esplorando allo stesso tempo le proprie potenzialità espressive.

Il volume è un racconto avventuroso popolato di geniali inventori e imprenditori audaci, carismatici opinion leader e cinici squali del mercato. È la storia di un settore dell’industria culturale in grado come nessun altro di interpretare l’immaginario di una società globalizzata e sempre più ludicizzata.
