Back of the Book

You cannot explain what sweetness is to the man who has never tasted sweets. You can bring all your articulateness, but you cannot explain a simple thing, sweetness. The only way is to offer him some sweets. That's what the masters have been doing all along. Rather than telling you what sweetness is, they offer it to you to taste. They themselves are offering, their own presence for you to taste it. Osho

Bodhidharma is named as the 26th Patriarch in the line emanating from Gautam Buddha. However, as Osho says, he shows even higher flights than Buddha who would not accept any female disciples as his master was the enlightened woman, Pragyatara.

Buddhism had entered China six hundred years earlier, and now Pragyatara instructed Bodhidharma to go there and to pass on Buddha's essential message of enlightenment. The earlier messengers of Buddha's teachings had had a great impact on the people of China, but none had been enlightened. It was now time for the taste of realization, of Awakening, to be passed on.

Osho dissects these three volumes of notes from Bodhidharma's disciples in detail, pointing out where, and how, the disciples' minds have come in to distort the message of this Buddha-awakened one.

About the Author

Osho is a revolution, inspiring millions of people worldwide with his approach to the science of inner transformation. Yet in his own words, he says, I am nobody. I don't belong to any nation, I don't belong to political party. I am simply an individual, the way existence created me.

His books and audiobooks are international bestsellers and cover an extraordinary range of topics from the wisdom of the words mystics to intensely personal questions about the inner search.

About the Book

Bodhidharma's statement is, Buddhas don't save Buddhas. He is saying you are all Buddhas whether you know it or not, an
