El espesor del presente. Tiempo e historia en las novelas de Juan José Saer (JQKA) (Spanish Edition)

Florencia Abbate

Este libro analiza las novelas de Juan José Saer como “variaciones imaginativas de la experiencia subjetiva del tiempo” y de la relación del sujeto con el tiempo histórico. Las novelas de Saer aluden a contextos muy reconocibles de la historia argentina (la conquista española, la guerras independentistas, la fundación del Estado-Nación, los años de proscripción del peronismo, las dictaduras, el Terrorismo de Estado), pero esas referencias ingresan a un espacio ficcional donde lo que rige no sería el tiempo histórico, cronológico, lineal, sino una visión subjetiva del tiempo que se manifestaría mediante el despliegue estático de horizontes de pasado o de futuro a partir del “ahora” del presente, concebido en todo su espesor. A través de los sucesivos análisis de la narrativa saeriana la autora demuestra que el tratamiento de la temporalidad novelesca constituye la principal innovación formal en la obra de Saer, y que ello redundaba también en su originalidad para tratar la Historia, como rasgo que lo distingue en la tradición de la novela argentina.
