El saqueo de los grupos economicos al estado de Chile (Spanish Edition) María Olivia Mönckeberg

Las redes del poder en Chile son densas e intrincadas, y la periodista María Olivia Mönckeberg ,Premio Nacional de Periodismo, se ha dedicado a investigarlas, entenderlas y desvelarlas durante décadas. En ese contexto, uno de los libros más representativos y esclarecedores para entender las fisuras que está dejando de manifiesto nuestro modelo político es El saqueo de los grupos económicos al Estado chileno, que presentamos aquí íntegramente y sin variaciones respecto de la primera edición.

A catorce años de su publicación, esta reveladora investigación periodística cobra nueva vida para que las generaciones jóvenes, o quienes no tuvieron la oportunidad de leerlo en su época, observen en qué medida los grupos económicos que nacieron y crecieron en dictadura son protagonistas de la crisis que se ha desencadenado durante los últimos meses en el país.
