Railway Season

David St. John Thomas

Railway Season David St. John Thomas

Celebrate the days when trains were trains, individual expresses had their own character, serving their passengers in style in restaurant car, and connecting services ran over picturesque branch lines that were a very part of the countryside they served.

Railway Season by David St John Thomas whose Country Railway sold an astonishing 170,000 copies, captures all our railway yesterdays with panache. This is indeed a railway book like no other, a portfolio of word portraits by an enthusiast who knows his subject intimately and is never at a loss for a telling example.

From his imaginary but life-like 'Day in the life of a country terminus' to the ground-breaking stuff of the natural history of railways, and from the colourful history of excursions to a poignant reminder of what traffic used to be like on peak Summer Saturdays, an evocation of watching trains and a reminder of Christmases past, the book rolls irresistibly along ... and that only mentions a fraction of the chapters.

Though this is not specifically a book about the country side inevitably it looms large since even intercity trains run through it ... as demonstrated in the chapter 'A country journey like no other', which also emphasizes the author's West Country background. But whatever your interest in railways and wherever your favourite part of the countryside, there is much here for you. The chapter on railways for pleasure perhaps sums it all up.

From reader reviews:

Audrey Stockman:

In this 21st hundred years, people become competitive in most way. By being competitive now, people have do something to make these individuals survives, being in the middle of often the crowded place and notice through surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Yes, by reading a book your ability to survive raise then having chance to stand than other is high. To suit your needs who want to start reading any book, we give you that Railway Season book as basic and daily reading reserve. Why, because this book is greater than just a book.

Frederick Roark:

Playing with family within a park, coming to see the marine world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try factor that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Railway Season, you can enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh occur its mind hangout people. What? Still don't understand it, oh come on its referred to as reading friends.

Maryann Warren:

What is your hobby? Have you heard that question when you got pupils? We believe that that problem was given by teacher to the students. Many kinds of hobby, All people has different hobby. Therefore you know that little person including reading or as reading through become their hobby. You must know that reading is very important in addition to book as to be the matter. Book is important thing to provide you knowledge, except your own teacher or lecturer. You discover good news or update in relation to something by book. A substantial number of sorts of books that can you take to be your object. One of them is niagra Railway Season.

Lee Villegas:

Some people said that they feel uninterested when they reading a book. They are directly felt it when they get a half parts of the book. You can choose the book Railway Season to make your current reading is interesting. Your own skill of reading ability is developing when you including reading. Try to choose very simple book to make you enjoy to read it and mingle the idea about book and studying especially. It is to be initially opinion for you to like to open a book and go through it. Beside that the e-book Railway Season can to be a newly purchased friend when you're feel alone and confuse in doing what must you're doing of this time.
