1 Samuel (Brazos Theological Commentary on the Bible)

Francesca Aran Murphy

1 Samuel (Brazos Theological Commentary on the Bible) Francesca Aran Murphy

The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture credally for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. *1 Samuel*, like each commentary in the series, is designed to serve the church--providing a rich resource for preachers, teachers, students, and study groups--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

Praise for *1 Samuel* in the Brazos Theological Commentary on the Bible

"Francesca Murphy is at her perceptive and witty best in *1 Samuel*. Her truly remarkable breadth of reading, awareness of the ambiguity of both power and vision, love of scripture, and sense of what the church is about today make this a powerful and relevant contribution to the Brazos Theological Commentary on the Bible. I thoroughly recommend her volume."--**Iain Torrance**, Princeton Theological Seminary

"The preaching of any scripture requires that we read it in the midst of the one long theological conversation that is the church. Francesca Aran Murphy does this for us with her commentary on 1 Samuel. She pays fastidious attention to the theological readings passed down to us throughout the centuries, from Origen to von Balthasar. She does not discard the modern hermeneutic; rather, she uses it in the service of doing faithful theology for our time. By tracing the 'many little dramas' of 1 Samuel, Murphy unfurls the story of God's drama with Israel in a way that illumines what today we might rightly call 'the political.' As a result, the ancient riches of 1 Samuel are opened up in profound new ways for the challenge of being the church that we face today."--**David Fitch**, Northern Seminary

From reader reviews:

Tom Johnson:

Throughout other case, little people like to read book 1 Samuel (Brazos Theological Commentary on the Bible). You can choose the best book if you want reading a book. Provided that we know about how is important a new book 1 Samuel (Brazos Theological Commentary on the Bible). You can add know-how and of course you can around the world by just a book. Absolutely right, due to the fact from book you can know everything! From your country until eventually foreign or abroad you will be known. About simple thing until wonderful thing it is possible to know that. In this era, you can open a book or even searching by internet gadget. It is called e-book. You may use it when you feel bored to go to the library. Let's read.

Raul Warren:

What do you in relation to book? It is not important along with you? Or just adding material when you really need something to explain what the ones you have problem? How about your spare time? Or are you busy man? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everybody has many questions above. They should answer that question mainly because just their can do this. It said that about publication. Book is familiar in each person. Yes, it is suitable. Because start from on kindergarten until university need this 1 Samuel (Brazos Theological Commentary on the Bible) to read.

David Conover:

Don't be worry should you be afraid that this book may filled the space in your house, you could have it in e-book approach, more simple and reachable. That 1 Samuel (Brazos Theological Commentary on the Bible) can give you a lot of pals because by you checking out this one book you have matter that they don't and make an individual more like an interesting person. This particular book can be one of a step for you to get success. This reserve offer you information that possibly your friend doesn't learn, by knowing more than additional make you to be great people. So , why hesitate? Let me have 1 Samuel (Brazos Theological Commentary on the Bible).

Patrick Austin:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this 1 Samuel (Brazos Theological Commentary on the Bible) can make you feel more interested to read.
