## **Derecho Mercantil (Biblioteca Jurídica Porrúa) (Spanish Edition)** Juan Antonio Ordóñez González

El Derecho Mercantil es el derecho de las personas que se dedican a actividades comerciales persiguiendo un ánimo de lucro, esto es, obtener una ganancia o utilidad en su quehacer. Es también la rama jurídica reguladora de los actos y contratos que se nombran de comercio y de los títulos y operaciones de crédito, sean o no realizados por los comerciantes, además de los procedimientos judiciales de este orden.

El autor del libro se da a la tarea de explicar de una manera clara y sencilla esta área del Derecho, va de lo general a lo particular, iniciando con el estudio del Derecho Mercantil y de sus actores a los comerciantes, para derivar en la forma de expresión más reconocida del comercio: las sociedades mercantiles. Más adelante procede al análisis de los títulos y operaciones de crédito, así como de las transformaciones más significativas que en los últimos tiempos se han concretado, sobre todo en relación con las instituciones del sistema financiero y sus particulares esquemas normativos.

De especial originalidad resulta el tratamiento que hace de los temas que conforman el ya conocido Derecho Concursal Mercantil: su génesis, problemática, procedimientos, recursos, fórmulas específicas en empresas prestadoras de servicios públicos concesionados, instituciones de crédito e instituciones auxiliares de crédito, fraude de acreedores y delitos concursales. Finalmente, aborda los aspectos propios de la cooperación en procedimientos internacionales.
