## Glass Dragons (The Moonworlds Saga) Sean McMullen

Sean McMullen, one of Australia's leading genre authors, delivers *Glass Dragons*, the scintillating sequel to *Voyage of the Shadowmoon* which *Kirkus Reviews* called "a brilliantly inventive, marvelously plotted sea-faring fantasy that both mocks and surpasses genre expectations. . . . Australian author McMullen writes like Roger Zelazny at the peak of his powers: his dashing, flamboyant, cleverly resourceful characters trade off insults and reveal surprising abilities as they swagger bravely from one hair-raising scene to another. Exciting, suspenseful, vividly believable, and great, clever fun: a major fantasy-award contender."

*Glass Dragons* continues the tale of Laron, the chivalrous 700-year-old vampire, the appallingly dangerous and beautiful Velander, and the long-suffering Terikel, as they investigate a secret project of arcane magic, a magic so dangerous it could destroy their world. A project which threatens to fall into the wrong hands.

*Glass Dragons* is a broad and complicated tale, filled with wonderful characters both new and old, woven through with low humor and great courage, built upon grand acts of heroism and love. Enjoy.
