Historia contemporánea del Líbano (Idea Global) (Spanish Edition) Domingo Garí Hayek

La agitada historia del Líbano no da esperanzas para pensar en un cierre definitivo de la conflictividad en este país. Los elementos características de su historia, causantes de las desestabilizaciones y de la actividad armada, continúan estando presentes. Asimismo, la herencia colonial sigue haciendo estragos en la convivencia entre las distintas comunidades. El sistema de representación política refuerza una tradición clánica que reserva papeles desproporcionados a los jefes de los distintos grupos socio-religiosos y se convierte en una amenaza para la convivencia pacífica de las múltiples confesiones que viven en suelo libanés. Por otra parte, la permanencia del conflicto israelo-palestino ha sido un elemento muy negativo para la pacificación total del país. La agresividad del estado israelí, el problema de los refugiados palestinos (400.000 están en el Líbano) y la falta de autoridad internacional en la zona, no permiten cerrar los conflictos de manera dialogada.

From reader reviews:

Gail Kernan:

Information is provisions for anyone to get better life, information currently can get by anyone from everywhere. The information can be a know-how or any news even restricted. What people must be consider whenever those information which is inside the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one the resource are convinced. If you get the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Historia contemporánea del Líbano (Idea Global) (Spanish Edition) as your daily resource information.

Beatrice Pearson:
