*Henry David Thoreau*

**Sobre la desobediencia civil y Walden, la vida en los bosques (Spanish Edition)** Henry David Thoreau  
Un filósofo anarquista que rechazó todo poder capaz de someter al hombre, eligió la vida en los bosques y planteó el derecho a una revolución pacífica con la negación al pago de impuestos. La defensa apasionada del individualismo hecha por un liberal, que quiso demostrar que la vida en la naturaleza es la verdadera vida del hombre libre, convencido además de que en Norteamérica debía desaparecer la esclavitud y cesar las guerras a otros países. Ensayos desafiantes y subversivos, escritos por un hombre al que no le interesaban las mayorías ni las minorías, comprometido con el trabajo de un ser humano consecuente con su humanidad y con las reglas y las recompensas de la naturaleza.
