Twitter: The Comic (The Book): Comics Based on the Greatest Tweets of Our Generation Mike Rosenthal

From a simple, brilliant premise—to create comics from the weirdest and funniest tweets around—artist Mike Rosenthal (@VectorBelly) has crafted a hilariously surreal world that has attracted over a million followers to his blog *Twitter: The Comic*. Each carefully curated tweet delivers concentrated humor in the language of the Internet, reproduced in the comics with typos and all. As envisioned by Rosenthal, each comes to life through a bizarrely recognizable cast of bassoon-playing cops, sarcastic teens, bear MDs, clueless dads, potential insect overlords, and more. Featuring more than 120 of these comics, including dozens unique to this book, *Twitter: The Comic (The Book)* is a dementedly funny vision of our strange online age.
