Days of Wonder: New and Selected Poems Grace Schulman

Attesting to Grace Schulman's gifts for her craft, *Days of Wonder* collects verse spanning nearly three decades, including ten new poems and selections from the poet's four previous collections. Schulman's well-crafted lyrics contain equal portions of reverence and lament, praise and joy. Many of her poems communicate a sense of wonder at the beauty of the world, with references to painters and poets and religion. As William Stafford has written, Schulman "renews our faith in ourselves and in the language we use for finding each other."
